

## AQUA-GUARD'S ANNUAL OPEN HOUSE

On Friday May 8<sup>th</sup>, Aqua-Guard hosted our 41<sup>st</sup> anniversary celebration and annual open house. This event was a huge success as we had over 50 attendees from the national & international oil industry, oil spill response groups, local suppliers, federal government and International Trade Canada.

Aqua-Guard presented examples of our state-of-the-art, patented RBS TRITON™ oil skimming technology with both small and large machines ready for export to the Middle East, Latin America, Europe, and Northern Canada. Aqua-Guard would like to thank everyone that attended.
